

## DRIVING EXPERIENCE

### DRIVER'S LICENCE REQUIREMENTS 2024

#### To drive a vehicle during an experience.

##### 1. South African Drivers Licence

- a. You must make available a valid driver's licence card or a valid temporary driver's licence permit on arrival for your experience.
- b. If your driver's licence card has expired and you have applied for a new licence card before the expiry date, you must provide the receipt of payment for the licence card showing the applied date.

##### 2. Foreign Drivers Licence

- a. You must make available a valid foreign driver's licence printed in English from your country of residence on arrival for your experience.
- b. If your valid foreign driver's licence doesn't have a photograph of yourself, you will need to provide your passport to validate your licence.
- c. If your valid foreign driver's licence is not in English, you will need to provide an International Drivers permit issued in your country of residence.

##### 3. Minimum Age

- a. You must be a minimum of Eighteen (18) years old with a valid driver's licence as per clause one (1) and two (2) to drive a vehicle during an experience, subject to clause (B) below.
- b. You must be a minimum of Twenty-three (23) years old and you must have held a valid driver's licence for a minimum of Five (5) years to drive an Eight (8) Cylinder Engine and/ or an Electric Vehicle including a Plug-In Electric Hybrid vehicle.
